

Thank you, William.

Rest assured, the form you submitted was **not a credit card application** and your **credit score was not affected**.

Here are the reasons why we couldn't match you with an offer:

- Based on your credit report from one or more of the agencies below, there have been too many recent inquiries
- Based on your credit report from one or more of the agencies below, delinquent past or present credit obligation(s)
- Based on your credit report from one or more of the agencies below, recently opened personal finance account(s)
- Based on your credit report from one or more of the agencies below, balance owed on derogatory past or present credit obligation(s) is too high

Please make sure to save and/or print this notice for your records as it may not be available after this page expires or if you navigate to another page. For your security, this **page will expire after 20 minutes** of no activity.

We know this isn't the answer you were hoping for, but we hope there is an opportunity to provide you with new products and services in the future.
